

INVESTICE DO ROZVOJE VZDĚLÁVÁNÍ

## Department of Organic Chemistry invites you

to lectures given by

**prof. William L. Scott**

Indiana University-Purdue University Indianapolis  
USA

***Solid-Phase Synthesis in Support of Distributed Drug Discovery (D3)***

**Ivano Messina**

Department of Organic Chemistry, Palacky University Olomouc

***Synthesis of ADPR analogues***

**Lukáš Jedinák**

Department of Organic Chemistry, Palacky University Olomouc

***The Multicomponent synthesis of pyrazolo-pyrimidines***

The lectures will take place on Monday 12<sup>th</sup> in 14:00, room 6.014 (6<sup>th</sup> floor of a Faculty of Natural Sciences, deanship, the end of a corridor).

**Bio  
trend**

Inovace vzdělávání  
v chemii a biologii  
s ohledem na aktuální trendy  
v biomedicínálním výzkumu
